

## IDC Trading Mission Statement

&ldquo;TO BE THE LEADING GOLD TRADING COMPANY SERVING THE NEEDS AND DESIRES  
OF OUR CUSTOMERS WITH QUALITY, VALUE, AND INTEGRITY.&rdquo;

IDC TRADING, LLC is the Estate Jewelry Buying partnership of INTERNATIONAL DIAMOND CENTER (IDC), a retail jewelry business, and WATCH STUDIO LLC, a luxury watch wholesale and retail business.

INTERNATIONAL DIAMOND CENTER was founded in 1983 as a wholesaler of gold and fine jewelry items. In 1989, we established partnerships in Israel and Brazil to cut and manufacture diamonds.

The following year, we opened our first International Diamond Center in Clearwater, Florida, making our wholesale inventory available to the public. IDC has continued to expand and now has six showrooms in Florida and Georgia.

In 1990, we launched WATCH STUDIO, LLC in Clearwater, with the largest selection of luxury watches and watch accessories.

In 2008 these two businesses joined to form a new company, IDC TRADING LLC, to be the leading gold trading company, serving the needs and desires of our cutomers with quality, value and interrity.
